

# PCC Vision

The Mission Committee of the PCC, is called to participate faithfully in God's activity in local, national, and global communities:

- Enables** the congregation to minister in Christ's name to people in need by giving of our time, talent, and treasure; and
- Challenges** the congregation to share with Christ in establishing his just, peaceable and loving rule in the world; and
- Empowers** the congregation to be Christ's faithful evangelists, transforming the lives of those in the congregation and the lives of those with whom we serve, and acting in the knowledge that our own faith strengthens as we share and receive God's word, and help others with quiet and profound deeds.

The Mission Committee spelled out a vision that very well fit the vision and goals of our congregation. We abbreviated the vision somewhat as follows:

## Fairlawn Vision

We do the work of Christ by witnessing to our faith through service to others; through local and global outreach; and through the generous gift of our time, talents and financial resources.

## Approach

We build on current successful strategies. We add strategies where members identify needs and have special interest. We stay alert to needs of the world, our community and members of our congregation.

## Objectives
